The Commissioner of Indian Affairs,

Dear Mr. Commissioner:

In checking over our birth certificates we find that Daniel Sheoship's age is given as of December 9, 1921, whereas the tribal census shows he was born December 9, 1920.

Also the date of birth of Robert James, allottee 1373, is given on the Census as of December 20, 1923 and the birth certificate shows he was born December 30, 1923.

It is found that the census is in error and it is respectfully requested that you make proper notation thereof on your copy of the census for this jurisdiction.
